and are providing facilities but much more is required to be done.

It is also stated that there are shortage of G.R.P. force in the division and on various stations even they do not have police stations. This Court hopes that the Railways and State of Chhattisgarh would also look in this aspect.

Since the summer season is on and immediately rainy season would follow, learned counsel for all the parties submits that the matter may be disposed of with certain directions.

In view of the facts and circumstances of the matter it is directed that General Manager or such other competent/responsible officer may be deputed by Union of India to make detailed inspection of Bilaspur Railway Station and such other prominent stations of South Eastern Railway Zone like Raipur, Raigarh, Durg etc. and immediately take all such redressal steps which are permissible for removing the difficulties highlighted and which have been experienced and reiterated by the counsel and amicus curiae and also that which may be noted by visiting officer.
